The Bird Feeders

Four friends each keep a bird feeder in a different spot, and each has a favorite bird that visits it. Use the clues to match every friend to their bird and their feeder.

Difficulty: **Hard**

Clues

1. The cardinal visits the feeder in the oak tree.
2. George's bird comes to the porch feeder.
3. Arthur's bird visits the maple tree.
4. Edith's favorite is the cardinal.
5. The sparrow never visits the fence feeder.
6. Mabel does not watch the blue jay.
7. The blue jay stays away from the porch.

Logic Grid

Mark each cell with ✘ (no) or ○ (yes) to eliminate possibilities.

	Bird				Feeder			
	Cardinal	Blue Jay	Finch	Sparrow	Porch	Oak Tree	Maple Tree	Fence
Edith								
George								
Mabel								
Arthur								
Cardinal								
Blue Jay								
Finch								
Sparrow
