

Nostalgia Riddles — Sheet 1

Instructions: Read each riddle carefully. Use the hint if you get stuck, and write your answer on the line provided.

1. I spun round and round while playing your favorite songs. You placed a needle on me gently. What am I?

Hint: Think vinyl...

2. I have keys but open no doors. Each press leaves an inked letter behind. A bell rings when you reach the end of a line. What am I?

Hint: Writers used me before computers.

3. I have a dial with numbers and a curly cord. You had to spin my wheel and wait for each number to return. What am I?

Hint: You couldn't push my buttons — I didn't have any.

4. On warm summer nights, you'd park your car and watch movies on a giant screen under the stars. What am I?

Hint: You never had to leave your car.

5. I was small enough to fit in your pocket and brought music and news through a tiny speaker. I ran on batteries and had a dial to find stations. What am I?

Hint: A portable way to tune in.
